#### About us

#### Who we are

Our approach to lending is underpinned by our focus on achieving great customer outcomes. A large part of our approach is based on ensuring how much a customer can afford to spend on a finance agreement each month, and the amount that our customers are comfortable with their finance agreement. Our expert credit team are committed to providing a service to meet the changing needs of our customers, and our credit team have been up and running since 2017 and have been awarded the title of 'Best Finance Provider' in 2017 and 'Best Finance Provider' in 2018. Our customers are the heart of every decision we make.

#### What we do

For years, we have been working to simplify the process of finding a vehicle for UK residents facing all types of financial circumstances. We have continued to break ground by connecting hundreds of thousands of consumers with a lending partner that can provide them with the best approved options.

We have over 12 years combined in the Finance & Automotive industry to help our customers get their credit history back on track and get into an affordable, reliable vehicle. We understand the difficulties life brings, that is why we provide affordable monthly payment options to give our customers the flexibility to work within their budget.

#### Our Principals

Our focus is always on technological innovations that make life easier.

We ensure our customers are always treated fairly with dignity and respect.

We respect all our data and work with technology partners approved by CreditSafe lending industry.
